- Collaboration in product management

What you bring with you:

- General university entrance qualification or technical college entrance qualification
- IT affinity and interest in the field of CRM
- Precise and structured way of working, analytical skills
- Strong communication skills
- Commitment and willingness to learn
- Very good knowledge of German, good knowledge of English is desirable

This is us

With our own software solution sellify as a basis, we develop individual solutions for the organization of daily office tasks and managed communication. Since 2005, well-known customers from a wide range of industries and of all sizes have relied on our concepts to organize their everyday business. Our modern open workspace in a former factory complex in the Schanzenviertel offers free space for creative thinking and solution-oriented work. It is optimally accessible by bus & train and there are also sufficient parking spaces available for those arriving by car.

Our Benefits (among others):

Working in a team

High chance of being taken over

Flexitime

Team events

Modern Open Workspace

Company laptop

Good transport connections

Then simply contact us at

jobs@businessacts.de with a resume and a sample of your work. We will also be happy to answer any questions you may have about the training, us or the application process!

Your contact person at our company is Stephan, who will train you to become a development professional with his many years of experience.

Formalism is not for us, we want to get to know you and your skills and grow together. Therefore, a work sample counts for us much more than your grades!
