

Software Developer (m/f/d)

immediately in Cologne, full time

What we offer:

Short distances, open doors, fun at work, a team of motivated and competent people and all this in an extraordinary Open Workspace in the middle of the Schanzenviertel! With us, every individual can contribute their skills and passions and further develop their potential. You will work in an innovative and team-oriented environment with open communication, short decision-making processes and good options for personal development.

These are your tasks:

- Further development of our sellify software (GUI and backend)
- Maintain and technically enhance the sellify architecture
- Extend functionalities
- Implement individual extensions

What you bring with you:

- Completed vocational training or studies in the field of computer science
- C# experience (3-5 years, preferably more)
- Experience in .NET 3.5 or higher
- SQL- & OR Mapper-Practice KnowHow
- Knowhow in Testdriven Development & agile development desirable
- Experience in object oriented design is an advantage

This is us

With our own software solution sellify as a basis, we develop individual solutions for the organization of daily office tasks and managed communication. Since 2005, well-known customers from a wide range of industries and of all sizes have relied on our concepts to organize their everyday business. Our modern open workspace in a former factory complex in the Schanzenviertel offers free space for creative thinking and solution-oriented work. It is optimally accessible by bus & train and there are also sufficient parking spaces available for those arriving by car.

Our Benefits (among others):

Working in a team

Unlimited contract

Flexitime and HomeOffice

Team events

Modern Open Workspace

Company laptop

Good transport connections
